APRIL 2020

# MARKET

From bold end tables to suave sofas, magical chandeliers and beautiful bedding, a curious medley of new home furnishings were readied for their High Point Market debut. Rain or shine, here's a much anticipated glimpse of what and whom you would have seen, touched, and Instagrammed this spring.

## MARKET SPRING INTROS

Outdoor is a hot category, and that's clear from the number of manufacturers who have upped their outdoor game or recently introduced the category. Here are a just few of these fun outdoor pieces.
